

NS³ NUCLEAR SCIENCE SUMMER SCHOOL

May 12-18, 2024 • Michigan State University

The Nuclear Science Summer School (NS3) is a summer school that introduces undergraduate student participants to the fields of nuclear science and nuclear astrophysics. NS3 is hosted by the Facility for Rare Isotope Beams (FRIB) on the campus of Michigan State University. The school will offer lectures and activities covering selected nuclear science and astrophysics topics.

Application Deadline: February 23, 2024
apply online: frib.msu.edu/public/frib-outreach/ns3

For questions about the school and/or the application process please email: ns3@frib.msu.edu
